Singing News / Solid Gospel New Artist search!

I have been privileged to serve in full time ministry for 37 years. From music director, youth director, pastor, missionary to Albania, president of a Bible College and Seminary, to the last 16 years as senior pastor of an awesome church in Somerset, Kentucky, my life has been full and blessed. Music has been a huge part of that journey.

I happened to read in my Singing News about a New Artist Search and all that went along with it. Again, I laughed and thought, "Why not"... fired off a few of the songs and kept on rolling and serving. Then, I received a call from Stephanie informing me of your decision.

I am pleasantly shocked. Humbled. Truly honored. And even more- amazed all over again to see God do what only He can. Thank you for your gracious consideration. I have no idea what comes next, but it will be fun and I look forward to seeing our awesome Lord peel back another layer of His will and provision. My prayer continues that He will be honored and folks will be blessed. God bless you in your service for Him.
